This CJSTC-approved specialized training course teaches students the role of a breath test operator in obtaining and analyzing breath samples during the breath test and how to obtain and maintain a Breath Test Operator permit. Topics to be presented are related case law, courtroom demeanor, and all requirements to operate the Intoxilyzer 8000 instrument. This course can be applied toward mandatory retraining but **not** salary incentive. This is a Region 8 Trust-funded course. Class size is limited; to reserve a space, mail, fax, email, or drop off a department authorization form to the South Florida State College Criminal Justice Academy.
